

FLEXI 3

Patient Transfer Chair

Developed as a prestigious alternative to conventional transfer chairs, FLEXI 3 offers efficiency, speed, hygiene and comfort in a state-of-the-art design. The ergonomic seat and back rest sections transform into a restful space by synchronized movement of backrest and footrest activated by a gas spring control for the least disturbance to the patient.

- Synchronized backrest and footrest adjustment
- Synthetic leather coated surface
- Detachable cushion
- Ergonomic push bars
- Foot support foldable platform
- Swing-Back polyurethane armrests
- Height adjustable IV pole
- Lockable rear castors
- Fixed front castors

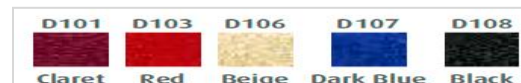

Optional Accessories:

- Safety Belt
